

GET TO KNOW US

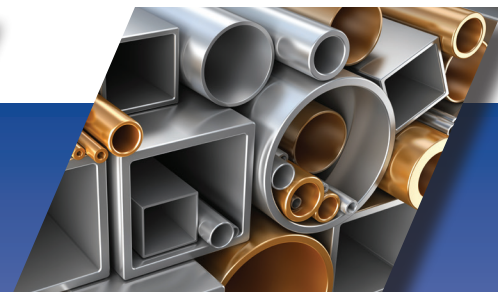

MACHINING FLUIDS

Semi-Synthetics
Synthetics
Straight Oils
MQL
Carbide Grinding
"Traditional ValCOOL®"

INDUSTRIAL LUBRICANTS

Hydraulic Fluids
Slideway Lubricants
Spindle Oils
EP Gear Oils

CORROSION PREVENTATIVES

Highly Effective Water-Dilutables
Self-Healing Long Term
Low-Voc Oil-Based
Synthetic, Oil Free
Aluminum C.I.
Copper Staining De-Activators

SPECIALTY CLEANERS

Machine & Sump In-Process
Low-Voc
High Pressure Aluminum
Bi/Tri Metal Alloys
Biodegradable Extreme Cleaners

FORMING FLUIDS

Drawing Fluids
Stamping Fluids
Vanishing Oils
Tube Bending Fluids

AEROSOLS

Penetrant Oil
Layout Ink
Layout Ink Remover
Cutting Oil

- Complete line of metalworking fluid products
- Orders shipped within 24 hours
- Economic offsets to lubricants from major oil companies
- Aerosol based products – cutting oils, layout inks, cleaners, tapping fluids

- SCAQMD Rule 1144 Super Compliant Fluids
- High performing non-chlorinated technologies
- High pressure foam free coolants
- Focus towards on-site technical service and support
- Custom blended formulas if needed
